

Toddler Call Plan

AGES 1 TO 3

Pick two or three of these for each call. Five happy minutes is a very good call.

1

Hello song

Start every call with the same song, with big hand movements.

2

Peekaboo

Hide behind your hands or a tea towel, or cover the camera for a second.

3

Puppet hello

A sock puppet or a teddy waves, sneezes, falls asleep and wakes up.

4

Show and tell

Hold up one thing, name it, give it an action. Then ask them to fetch something.

5

Animal sounds

Hold up an animal card and make the sound. Get it wrong on purpose sometimes.

6

Bubbles

Blow bubbles towards the camera, or pour rice slowly from one cup to another.

7

Goodbye wave

End the same way every time, with a wave, a kiss to the camera and a little song.
